ABSTRACT

The project group, "Preparedness for Peace," does research and development work on peace education and related aspects of internationalizing of school teaching. This miniprint lists 135 reports and miniprints from work published during the years 1990-1993, and includes reports and miniprints related to the work of the PEC (Peace Education Commission of the International Peace Research Association) that are published by the Malmo School of Education (Sweden). If the title is given in English only, the language of the report is English. For reports written in a Scandinavian language or in German, the title appears first in the language of the report, followed by an English translation of the title in brackets. (CK)

PEACE EDUCATION

Reports and Miniprints from the Malmö School of Education, 1990-1993

The project group "Preparedness for Peace" carries on research and development work on peace education and related aspects of the internationalization of school teaching. This miniprint lists reports and miniprints from this work published during the years 1990-1993. The list also includes reports and miniprints related to the work of PEC (the Peace Education Commission of the International Peace Research Association), published by the Malmö School of Education. Most of the publications can be ordered from: School of Education (attn: T. Löthman), Box 23501, S-200 45 Malmö, Sweden. – If the title is given in English only, the language of the report is English. For reports written in a Scandinavian language or in German, the title is first given in the language of the report, followed by an English translation of the title in brackets.
